MEDIA RELEASE (Immediate Release)

"Channel 7's 'Growing Home' Revolutionises Sustainable Living with Gosford Quarries Sandstone"

"Transforming Homes and Hearts: Jamie Durie and Gosford Quarries Unite for Eco-Elegance on Channel 7"

Sustainable Elegance: Jamie Durie's Vision Comes to Life with Gosford Quarries Explore how Jamie Durie's innovative design seamlessly integrates with Gosford Quarries' sustainable sandstone in Channel 7's "Growing Home," elevating Australian homes with eco-friendly elegance.

Precision and Sustainability: A Perfect Match

Jamie Durie has chosen Gosford Quarries' premium sandstone to bring his sustainable visions to life in the new series "Growing Home." About 300m^2 of our Diamond-Sawn Medium Brown Sawn Cladding and 100m^2 of Crazy Paving have been crafted for this project, showcasing the potential of precision-cut natural stone in modern landscaping.

Cutting-Edge Techniques in Sandstone Crafting

Our state-of-the-art CNC technology enables the meticulous crafting of sandstone, transforming raw materials into bespoke pieces that redefine the beauty of architecture. This episode offers a unique behind-the-scenes glimpse into our cutting-edge techniques.

Leading with Environmental Integrity

Gosford Quarries is proud to announce its latest Environmental Product Declarations (EPDs), highlighting the company's ongoing commitment to environmental stewardship. This rating assures that our sandstone products are produced with the utmost respect for the environment, setting a new standard in the industry.

Witness the Artistry on Channel 7's 'Growing Home'

Tune into Channel 7's "Growing Home with Jamie Durie" to see how our bespoke sandstone pieces are transforming Australian homes. Follow the journey from quarry to installation and witness the art of sandstone in motion.

Watch the craftsmanship unfold on Channel 7's Growing Home and visit our website for more behind-the-scenes content and detailed insights into our sustainable practices. Catch up and watch Episodes on 7+. Follow this link:
